I'm sure the right decision will be presented to you. As you know, I'm happy to speak on your behalf. I'm not sure you are being existential, that would indicate a vast and uncaring universe acting randomly. You are acting from a position of intention....stay with the picture of what you want.

I would love to have lunch with you and Lynn soon.

Sincerely,

Hi Charles,

It looks like I won't be in the Bay Area on the date(s) the music teachers are available. I will be traveling/working in [REDACTED] from August 13-17th.

It was important for me to commit to the [REDACTED] folks. Please extend my apology to Nancy Coffey.

Thanks so much for your consideration.

Miss you!

Hello Candy. Is this your email? I talked to Nancy and the only other dates she has are the two days prior to the 16th. Do they work for you guys? Please let me know by the end of this week as she wants to know so she can plan. Of course, we'd love to have you two do the work, our first choice, but these are her days.

I hope all is well where you are. Bears are cute but dangerous...as you well know. All good on my end. Today my last day before having a much needed break. Yay!

Thanks.

Hi Charles,

Please know that I have a different email while I am in [REDACTED] and I haven't been ignoring you. In fact, I have been thinking about you and wondering how things are going.

This [REDACTED] teaching/consulting has been a wonderful experience. Everything is so different. This morning we had a "Bear Drill" instead of a fire drill.

[REDACTED]

For some reason, the bears are very intrusive this year. A guy shot a giant bear that was in his dumpster and we had a bear in the yard yesterday morning.

The playground is even dangerous. The teachers are afraid that bears might be sleeping in the tall grass surrounding the blacktop.

It's kind of scary walking the dog. I am to the point that I flinch when the leaves rustle.

I look forward to hearing from you.

Take care,

Candy
