Dear Mr. Babin,

Attached please find information regarding the number of minutes of physical education for each of our elementary schools.

At the secondary level, students in grades 6-10 take P.E. as one of their classes. These classes meet three or four times a week, with considerably more time than the 200 minutes required by law. All 3 middle schools have the same bell schedule, so the minutes will be the same across the 3 middle schools. Here is a representative example:

<http://www.jordan.pausd.org/public/schedule.html>

You will just need to follow a single number or letter across the week to get a sense of the meeting times for any given class (of which P.E. is one). That will be the P.E. minutes per week.

Here are the high school schedules:

This completes our response to your request.
