Re: Taisei Construction Corporation vs. Palo Alto Unified School District
Project: Palo Alto High School New Classroom and Media Arts
Our File No.: 840-14625
Our Client: Taisei Construction Corporation

To Whom It May Concern

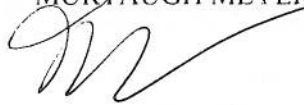

In accordance with the Freedom of Information Act, 5 U.S.C. § 552 *et seq.*, and the California Public Records Act, Cal. Gov. Code § 6250 *et seq.*, please consider this a formal request for copies of the following documents:

- Any and all contracts, change orders, addendums, and/or other documents that reflect the scope of services that the District hired the project construction manager to perform and/or which the project construction manager did perform in connection with the Palo Alto High School New Classroom and Media Arts project (the "Project"), located in Palo Alto, California (hereafter the "PROJECT").
- Any and all contracts, change orders, addendums, and/or other documents that reflect the scope of services that the District hired the project architect to perform and/or the project architect did perform (1) in connection with the PROJECT; and (2) as the District's project architect.
- Any and all contracts, change orders, addendums, and/or other documents that reflect the scope of services that the District hired the project inspector to perform and/or the project inspector did perform in connection with the PROJECT.

- Any and all contracts, change orders, addendums, and/or other documents that reflect the scope of services that the District hired any other consultant to perform and/or which any other District consultant performed in connection with the PROJECT.
- Any and all as-built schedules that the District has for the PROJECT, including any drafts thereto, any and all documents that evidence or relate to the preparation of the schedules, that were used in preparing the schedules and/or are back-up to support the schedules.
- Any and all cost estimates prepared by or for the District related to any outstanding change order request for the PROJECT.

Very truly yours,
