Dear _____

The Palo Alto Unified School District is updating our Local Control and Accountability Plan as required by the California Department of Education. Development of the plan includes representatives from our key stakeholders. Last year your organization sent a representative who participated in this process. We would like to invite you to return and participate in the LCAP Community meeting. At this meeting we will share progress on this year's plan and solicit feedback on goals, actions and measurements as we began to develop the 2017/18 plan. The timeline for the LCAP process is below:

Thank you,

Palo Alto Unified School District

If you have any questions please contact Judy Argumedo, jargumedo@pausd.org
