RULES AND RESPONSIBILITIES FOR RIDING THE SCHOOL BUS
(Return this form with the application)

Responsibilities of the Driver:

By law, the driver is responsible for the safety of all passengers aboard a school bus. The driver has absolute authority over all passengers. Student safety is our most important consideration. The standards of behavior on the school bus are the same as those for any school in the District.

Responsibilities of the Passenger:

Students will be expected to follow standards of appropriate classroom conduct while on board the school bus and will be held accountable for their behavior. They will:

- Respect the authority of the driver
- Board and exit the bus in an orderly manner
- Keep their hands to themselves
- Face forward and stay in their seat, and keep their head, and feet inside the bus at all times
- Talk quietly and with respect
- Not eat on the bus
- NO CELL PHONE USE

The driver is responsible for the safety of all passengers aboard a school bus and has the authority to enforce all the rules. The bus driver is authorized to assign seats. Infractions of the rules will be reported to the school principal and disciplinary action will be taken.

School bus transportation is a privilege within California, passengers who choose to exhibit negative behavior and/or contribute to an unsafe ride for others, may have these privileges revoked.

I have read and discussed the above responsibilities with my children and we agree with them.
