School Accountability Report Card

Reported Using Data from the 2016-17 School Year

Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2017-18)

Our Mission: Fairmeadow School will develop and support an educational environment that respects diversity and creativity, challenging all students to achieve their full potential.

Fairmeadow School, one of twelve elementary schools in the Palo Alto Unified School District, educates a diverse group of 470 students in grades kindergarten through fifth. One hundred thirty students receive English language development instruction of which 85% are enrolled in the K-3 grades. Collectively, our students come from families representing 25 different languages. This rich diversity is embraced by our school community as one of our greatest resources.

The school motto, Learning is a Team Sport, exemplifies the educational philosophy that directs Fairmeadow's child-centered environment. Our school features a team approach to learning. Fairmeadow staff members implement a balanced educational program that encourages children to grow as individuals, but enables them to assume responsibility for their role within a group. The children, the teachers, support staff, parents, and the community all contribute to the team effort of supporting learning.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

Year and month in which data were collected: September 26, 2017

Description of school's program towards meeting William's Settlement Requirements

The Board of Education has made a determination that each pupil in each school in the District has, or will have prior to the end of the fiscal year, sufficient textbooks or instructional materials, or both, in each subject, and these materials, in each subject, are consistent with the content and cycles of the curriculum framework adopted by the State Board. PASSED AND ADOPTED by the Board of Education of Palo Alto Unified School District this 26TH day of September, 2017.

Reading/Language Arts	Units of Study for Teaching Reading, Heinemann – 2015 Units of Study for Teaching Writing, Heinemann – 2014 PAUSD transitioned to common core literacy materials with a comprehensive approach to aligning writing and reading curriculum to Common Core State Standards (CCSS). With AB1246 teachers provided insights into curricular materials that were aligned to CCSS. The district followed the legislative opening to transition to instructional materials from Columbia University Teacher’s College Reading and Writing Project (TCRWP), Lucy Calkin’s Reading and Writing Units of Study. The TCRWP developed units of study in response to CCSS, and piloted them for 18 months to ensure alignment, and all curricular materials including lessons, rubrics and student checklists are aligned to CCSS. PAUSD provided materials and instructional resources for each student (leveled classroom readers and student writing materials) to give students appropriate reading and writing learning opportunities. School Facility Conditions and Planned Improvements (Most Recent Year)

Safety, cleanliness, and adequacy of school facilities. EC Sec. 33126 (b)(9) Safe, orderly schools are the highest priority of the Palo Alto Unified School District. Schools maintain and enforce a policy of required registration and identification at the main office. All visitors must register and receive approval before visiting any classroom or activity during the school day. District personnel, contractors and maintenance crews are required to wear identification badges while working on any campus throughout the district. The District has established a Preventive Maintenance Team that visits each campus on an assigned schedule repairing and maintaining facilities in readiness conducive to teaching and learning. In addition, the District provides a work order system for ongoing maintenance that tracks requests, supplies and assigned time spent on any routine repair. A Custodial Supervisor who monitors the cleaning of all sites visits both during the day as well as the evening, providing custodians with support and emphasizing the importance of providing and maintaining a clean facility for learning. Each school has a Safety Plan and clearly stated expectations for student behavior. Safety Plans are updated and reviewed annually. The District has a strictly enforced anti-discrimination policy that prohibits harassment of students or staff based upon race, gender, disability, religion or sexual orientation. The School Board maintains a zero tolerance policy for violent or threatening behaviors, and is committed to prevention of harmful behaviors. Students are provided with opportunities to build positive relationships to help create a more supportive school community. The Fairmeadow Elementary School main campus was originally constructed in 1950. The buildings on campus have been renovated and added to over the years with a multipurpose room added in 1956 and the Jackson Hearing Center added in 1972. The latest modernization occurring in 2002 as part of the Building for Excellence Program. This modernization program included seismic and ADA accessibility improvements, as well as updating the classroom environment. New technology upgrades included computer workstations and increased electrical capacity within the classrooms. Energy upgrades included new heating systems and lighting in the classrooms. The 2002 modernization included building a new library, expanding two classrooms in the upper wing and adding 1 new relocatable classroom. A modular classroom was added to accommodate growth in the summers of 2007 and 2008. The campus now has a new library facility as part of the Building for Excellence Program. The library facility has reading and resource areas for students, as well as new computer workstations. The library has a credentialed librarian assigned, with equipment, which provides for on line services, Internet and Intranet connections and a multimedia presentation station. The Multipurpose room is fifty-six years old, and is slated for reconstruction in the future. The District staff has worked with site personnel to identify additional needs at all of the campuses as input to the District’s Capital Improvement Plan. This plan details proposed repair/replace projects over the next twenty years with a priority for health and safety issues and begin to identify funding sources. Modernization on campus in 2002 included a new playground equipment structure and the resurfacing of hard court and play surfaces. The buildings were also re-roofed and painted in 2002 as part of the renovation. A library expansion was completed in 2011. Construction for a new 2 story classroom building was completed. As of Dec. 2017 none of the emergency facility needs specified in Education Code Section 17592.72 (1. Gas leaks; 2. Non-functioning heating, ventilation, fire sprinklers, or air-conditioning systems; 3. Electrical power failure; 4. Major sewer stoppage; 5. Major pest or vermin infestation; 6. Broken windows or exterior doors or gates that will not lock and pose a security risk; 7. Abatement of hazardous materials previously undiscovered that poses an immediate threat to pupil or staff; and 8. Structural damage creating a hazardous or uninhabitable condition) are required at this school site. A copy of the Interim Evaluation Instrument used to verify Education Code Section 17592.72 deficiencies is on file in the Maintenance Office for review. The Fairmeadow Elementary School campus is safe, well maintained and clean, with a custodial staff assigned for 19 hours daily.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/Literacy (grades 3-8 and 11)	86	76	83	81	48	48
Mathematics (grades 3-8 and 11)	88	80	84	81	36	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	283	269	95.05	76.21

English Learners	86	77	89.53	61.04
Students with Disabilities	20	20	100	50
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2016-17)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	15.6	29.2	43.8

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

An active Parent Teacher Association (PTA) supports Fairmeadow and fosters parental involvement in a wide range of classroom and school-wide activities. The PTA’s annual sponsorship of activities and programs includes: Welcome Back Picnic, Art, Noon Sports Leagues, Book Fairs, fall fundraiser, Staff Appreciation Luncheons, Science Lab, and Assemblies. Parents are encouraged to regularly participate in these activities.

Parent and community volunteers join the Fairmeadow teaching team to assure that all children receive support for learning. All classrooms use volunteers for a variety of support and instructional tasks. Other parents drive on field trips, support grade level math enrichment, volunteer in the library and science lab, and make presentations in classrooms. Parents and volunteers help with producing the school communications and planning and teaching the bicycle safety program for grade three classes. The many thousands of hours of volunteer support help to create the positive school atmosphere we enjoy at Fairmeadow.

Four parents join four staff members on the School Site Council and take an active role in school planning, goal setting, budget development, and assessment of our programs.

For information on opportunities for parent involvement at Fairmeadow please contact the office staff, Alicia Gonzales or Mary Ann Kretchmar, at 650-856-0845. Information is also available on the Fairmeadow Elementary School website at <http://web-fairmeadow.pausd.org/>.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

School Safety Plan (School Year 2017-18)

Fairmeadow School rules are based on respect for ourselves and others, personal safety, and responsible behavior. Guidelines are provided to students and parents at Back-to-School Night teacher presentations and in our school handbook. Teachers also review rules the first week of school and throughout the year. At the first assembly of the school year the principal reviews behavior and safety standards.

Several activities contribute to school and playground safety. The fifth grade Fairmeadow Safety Patrol helps younger children move from their classes to the bus stop, daycare program or crossing nearby streets. Fifth grade students also assist kindergarten, first, and second grade students at lunchtime. Third grade children participate in a bicycle safety program presented by the Palo Alto Fire Department and parent volunteers. Our playground structures, noon sports, and various multi-aged activities provide students with a variety of choices during lunch break.

Earthquake emergency preparedness is a priority. We have a well thought out disaster plan and store of emergency equipment and supplies, hold regular earthquake, Code Red and fire drills, and discuss with students what they should do in the event of an emergency. Teachers receive regular training in First Aid and CPR.

For the 2017/18 school year, the five areas of focus and objectives in our School Safety Plan are as follows:

- Personal Experiences of Students and Staff: Implement the Project Cornerstone ABC Reader Program.
- Physical Environment: Provide a safe environment for play and learning.
- School Social Environment: To continue the many activities available to students during lunch and recess.
- School Climate: Develop a culture of community within the classroom and throughout the greater school environment by adhering to the principals of the Steps to Respect/Second Step curriculum.
- Emergency Plan: Update and review all emergency plans and procedures.

Types of Services Funded (Fiscal Year 2016-17)

Each year each school develops a Single Plan for Student Achievement (SPSA). This plan is available at the school site. The SPSA is developed by the School Site Council and is presented to the Board of Education for approval during a fall Board Work Session. This plan provides the budget detail on the uses of the site's categorical funds. The SPSA also describes the overall categorical funding received by the District in dollar amounts and the types of services funded. Most categorical programs are centrally funded and not within an individual school's budget. The notable exception is the federally-funded Title I Assistance Program, which is provided for identified students in PAUSD's elementary schools with the highest concentrations of low income families. The District also publishes an annual Budget Book, typically running over 400 pages, which details all District expenditures, General and Categorical, by school and by department. The 2016-17 Budget was adopted by the Board of Education on June 21, 2016. The Budget Book is available through Business Services at the District Office and on the PAUSD Website <https://www.pausd.org/sites/default/files/pdf-faqs/attachments/BudgetBook2016-17.pdf>.

Professional Development (Most Recent Three Years)

Professional Learning in the Palo Alto Unified School District is guided by our vision:

Vision for Professional Learning for PAUSD

Professional Learning is a comprehensive, sustained and intensive approach to improving teachers', principals' and support staffs' effectiveness in raising student achievement. In order to provide all students the highest-quality learning environment in every Palo Alto school, all certificated and classified staff must be continuously engaged in Professional Learning.

PAUSD's Professional Learning will:

- be focused on student learning goals and outcomes based on evidence (data)
- strengthen content knowledge and instructional strategies to meet the needs of all students
- be collaborative and foster a sense of collective responsibility focused on improved student performance, PK-12
- be ongoing, embedded in our daily work, with an emphasis on inquiry and reflection to improve practice
- be regularly evaluated to ensure experiences are high-quality, research-based, and effective in meeting intended goals
- be in alignment with site and district goals

Each year teacher and special education aides attend three dedicated professional learning days. The content for these sessions is informed by our focus goals which include high quality teaching and learning; equity and access; and wellness and safety. These goals represent priorities in our strategic plan, WASC and SPSA plans. Additional workshops on these topics, multimedia and technology are offered throughout the year, at the District and school sites. Reading specialists, special education teachers, school psychologists, speech therapists, EL teachers, and other non-classroom personnel are included and also receive additional training in their areas of expertise. Our district employees instructional coaches that work with individual teachers, teams and entire departments or staffs to support continuous growth and implementation of new strategies or curriculum. New teachers to PAUSD, including those who qualify for our Induction Program, attend workshops focused on curriculum, instruction, assessment, and meeting the needs of all students. In addition, Induction participants receive one-to-one coaching in support of their long-term goals and immediate needs. Teachers in need of additional support can access our Peer Assistance and Review program for targeted coaching support. Our non-instructional support staff also have opportunities to attend workshops related to district goals that pertain to their roles.

Professional learning is delivered in a variety of ways. We hold after school workshops, conduct blended workshops that combine online and in-person time, offer instructional coaching and in-depth summer institutes. In addition to coaching support, we ensure our administrators develop expertise in our focus areas so they are able to provide leadership and support at their sites.
