## School Accountability Report Card

### Reported Using Data from the 2017-18 School Year

#### Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### **School Description and Mission Statement (School Year 2018-19)**

Greendell School hosts all of the pre-kindergarten programs in the Palo Alto Unified School District.

The Young Fives program is designed to support students who are age eligible for kindergarten but demonstrate a youngness or immaturity which indicates that another year of development may be needed before entering kindergarten. Young Fives is a parent participation and education program in which weekly parental involvement and monthly parent education evening meetings are necessary to support the program's mission of social-emotional development and kindergarten readiness.

Transitional Kindergarten (TK) is the first year of a two-year kindergarten program and is only for students with 5th birthdays between September 2nd and December 2nd.

Springboard to Kindergarten is a pre-kindergarten program for students who have not had a quality preschool experience and whose families demonstrate financial need. Springboard to Kindergarten is offered from late January to the end of the school year for students who are registered for kindergarten the following fall and meet the criteria for the program.

The PAUSD Special Education Preschool Program at Greendell was established to meet the needs of children ages 3 to 5 years old who have Individualized Educational Plans (IEPs). The preschool program focuses on the whole child and preparing children for the next learning environment based on their individual needs.

The programs at Greendell prepare students for kindergarten through developmentally appropriate curriculum, play, and social-emotional development. The Kimochis social-emotional curriculum is used throughout all programs at Greendell to support students' communication, connection, and confidence.

PreSchool Family is a parent participation and parent education program offered through the Palo Alto Adult School. The program is designed to support parents in their understanding of child development while building a community of caring and supportive adults. PreSchool Family uses a "lab/lecture" approach to learning where parents are with their child in the classroom one day per week and attend monthly evening meetings with other parents in the class. The curriculum for the adult students addresses topics of importance given the child's developmental level. A play-based approach is used in the classroom where students are encouraged to explore and discover through their play and interactions with peers and adults. PreSchool Family has classes for students from birth to age 4 years.

### **Student Enrollment by Grade Level (School Year 2017-18)**

<b>Grade Level</b>	<b>Number of Students</b>

**A. Conditions of Learning**

**State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Total Teacher Misassignments *	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)**

**Year and month in which data were collected:** November 2018

Description of school's program towards meeting William's Settlement Requirements

The Board of Education has made a determination that each pupil in each school in the District has, or will have prior to the end of the fiscal year, sufficient textbooks or instructional materials, or both, in each subject, and these materials, in each subject, are consistent with the content and cycles of the curriculum framework adopted by the State Board. PASSED AND ADOPTED by the Board of Education of Palo Alto Unified School District this 25TH day of September, 2018.

<b>Reading/Language Arts</b>	Units of Study for Teaching Reading, Heinemann – 2015 Units of Study for Teaching Writing, Heinemann – 2014  PAUSD transitioned to common core literacy materials with a comprehensive approach to aligning writing and reading curriculum to Common Core State Standards (CCSS). With AB1246 teachers provided insights into curricular materials that were aligned to CCSS. The district followed the legislative opening to transition to instructional materials from Columbia University Teacher’s College Reading and Writing Project (TCRWP), Lucy Calkin’s Reading and Writing Units of Study. The TCRWP developed units of study in response to CCSS, and piloted them for 18 months to ensure alignment, and all curricular materials including lessons, rubrics and student checklists are aligned to CCSS. PAUSD provided materials and instructional resources for each student (leveled classroom readers and student writing materials) to give students appropriate reading and writing learning opportunities. **School Facility Conditions and Planned Improvements (Most Recent Year)**

As of Dec. 2018 none of the emergency facility needs specified in Education Code Section 17592.72 (1. Gas leaks; 2. Non-functioning heating, ventilation, fire sprinklers, or air-conditioning systems; 3. Electrical power failure; 4. Major sewer stoppage; 5. Major pest or vermin infestation; 6. Broken windows or exterior doors or gates that will not lock and pose a security risk; 7. Abatement of hazardous materials previously undiscovered that poses an immediate threat to pupil or staff; and 8. Structural damage creating a hazardous or uninhabitable condition) are required at this school site. A copy of the Interim Evaluation Instrument used to verify Education Code Section 17592.72 deficiencies is on file in the Maintenance Office for review. The Greendell School campus is safe, well maintained and clean, with multiple custodial staff assigned for 15.5 hours daily.

**School Facility Good Repair Status (Most Recent Year)**

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)						
Mathematics (grades 3-8 and 11)						

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

#### CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students				

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

#### CAASPP Test Results in Mathematics by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students				

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

**C. Engagement**

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

**Opportunities for Parental Involvement (School Year 2018-19)**

Parental involvement is part of the fabric at Greendell. Parent participation is a necessary component of the majority of programs at Greendell, and parents are involved in the classroom through leading centers and outdoor activities. Families facilitate their children’s learning and play everyday and all children are supported by the loving and caring adult community at Greendell. Families have opportunities to participate in school based activities such as the School Site Council and the English Learner Advisory Committee. PreSchool Family parents hold an annual Fun Day where all families participate in organizing developmentally appropriate games and activities for preschool age children. The event is open to all and is a wonderful community builder and so much fun for our young students. Inquiries about opportunities for parental involvement can be addressed to Shannon Coleman, Principal, 650-856-0833.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**Suspensions and Expulsions**

## School Safety Plan (School Year 2018-19)

Greendell School focuses on emergency preparedness through training and practice with the goal that everyone be fully prepared for an emergency. Each year, Greendell staff receives emergency team training which includes training on the roles and responsibilities in the event of an emergency. The emergency team training this year was held on October 17, 2018. Greendell holds an annual lockdown training which will be held on March 27, 2019 this school year with support from the PAPD and district risk manager. Greendell will conduct the annual school-wide lockdown drill on April 12, 2019. In addition to a lockdown drill, emergency preparedness drills such as fire drills and earthquake drills are conducted monthly throughout the school year. Emergency routes are reviewed with staff and posted in each room, fire extinguishers are routinely inspected by the fire department, and emergency backpacks in each room are inspected and replenished with missing supplies at the start of each school year.

## D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Average Class Size and Class Size Distribution (Elementary)

Grade Level	2015-16			2016-17			2017-18					
	Avg. Class Size	Number of Classes			Avg. Class Size	Number of Classes			Avg. Class Size	Number of Classes		
		1-20	21-32	33+		1-20	21-32	33+		1-20	21-32	33+
K	17	6			16	5	1		16	6		

Number of classes indicates how many classes fall into each size category (a range of total students per class).

\*\* "Other" category is for multi-grade level classes.

### Academic Counselors and Other Support Staff (School Year 2017-18)

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	0	
Counselor (Social/Behavioral or Career Development)		N/A
Library Media Teacher (Librarian)	0	N/A
Library Media Services Staff (Paraprofessional)		N/A
Psychologist	1.59	N/A
Social Worker		N/A
Nurse		N/A
Speech/Language/Hearing Specialist	2.2	N/A
Resource Specialist (non-teaching)	5.4	N/A
Other	0.2	N/A

Note: Cells with N/A values do not require data.

\*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

### Expenditures per Pupil and School Site Teacher Salaries (Fiscal Year 2016-17)

Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Supplemental/ Restricted	Basic/ Unrestricted	
School Site	\$11,003.99	\$5.55	\$10,998.44	\$104,637.32
District	N/A	N/A		\$106,088
Percent Difference: School Site and District	N/A	N/A		
State	N/A	N/A	\$7,125	\$79,665
Percent Difference: School Site and State	N/A	N/A		

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

### Types of Services Funded (Fiscal Year 2017-18)

Each year each school develops a School Plan for Student Achievement (SPSA). This plan is available at the school site. The SPSA is developed by the School Site Council and is presented annually to the Board of Education for approval. This plan provides the budget detail on the uses of the site categorical funds. The SPSA also describes the overall categorical funding received by the District in dollar amounts and the types of services funded. Most categorical programs are centrally funded and not within an individual school's budget. The notable exception is the federally-funded Title I Assistance Program, which is provided for identified students in PAUSD's elementary schools with the highest concentrations of low income families. The District also publishes an annual Budget Book which details all District expenditures, General and Categorical, by school and by department. The 2017-18 Budget was adopted by the Board of Education on June 20, 2017 (<http://www.boarddocs.com/ca/pausd/Board.nsf/goto?open&id=AN4T3R72C3B6> ).

### Teacher and Administrative Salaries (Fiscal Year 2016-17)

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$63,197	\$49,512
Mid-Range Teacher Salary	\$100,603	\$77,880
Highest Teacher Salary	\$127,517	\$96,387
Average Principal Salary (Elementary)	\$163,988	\$123,139
Average Principal Salary (Middle)	\$176,347	\$129,919
Average Principal Salary (High)	\$188,728	\$140,111
Superintendent Salary	\$306,918	\$238,324
Percent of Budget for Teacher Salaries	39.0	36.0
Percent of Budget for Administrative Salaries	6.0	5.0

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

### Professional Development (Most Recent Three Years)

Professional Learning in the Palo Alto Unified School District is guided by our vision:

Vision for Professional Learning for PAUSD

Professional Learning is a comprehensive, sustained and intensive approach to improving teachers', principals' and support staffs' effectiveness in raising student achievement. In order to provide all students the highest-quality learning environment in every Palo Alto school, all certificated and classified staff must be continuously engaged in Professional Learning.

PAUSD's Professional Learning will: be focused on student learning goals and outcomes based on evidence (data); strengthen content knowledge and instructional strategies to meet the needs of all students; be collaborative and foster a sense of collective responsibility focused on improved student performance, PK-12; be ongoing, embedded in our daily work, with an emphasis on inquiry and reflection to improve practice; and be regularly evaluated to ensure experiences are high-quality, research-based, and effective in meeting intended goals; be in alignment with site and district goals.

Each year teacher and special education aides attend three dedicated professional learning days. The content for these sessions is informed by our focus goals which include high quality teaching and learning; equity and access; and wellness and safety. These goals represent priorities in our strategic plan, WASC and SPSA plans. Additional workshops on these topics, and multimedia and technology are offered throughout the year, at the District and school sites. Reading specialists, special education teachers, school psychologists, speech therapists, EL teachers, and other non-classroom personnel are included and also receive additional training in their areas of expertise. Instructional coaches work with individual teachers, teams and entire departments or staffs to support continuous growth and implementation of new strategies or curriculum. New teachers to PAUSD, including those who qualify for our Induction Program, attend workshops focused on equity, curriculum, instruction, assessment, and meeting the needs of all students. In addition, Induction participants receive one-to-one coaching in support of their long-term goals and immediate needs. Teachers in need of additional support can access our Peer Assistance and Review program for targeted coaching support. Our non-instructional support staff also have opportunities to attend workshops related to district goals that pertain to their roles.

Professional learning is delivered in a variety of ways. We hold after school workshops, conduct blended workshops that combine online and in-person time, offer instructional coaching and in-depth summer institutes. In addition to coaching support, we ensure our administrators develop expertise in our focus areas so they are able to provide leadership and support at their sites.
